Shrimp In Our Lake? Just Ask Mr. Sullivan

PAHOKEE — After fishing Lake Okeechobee for a quarter of a century, 48-year-old Leroy Sullivan this summer seems to have discovered that the big lake may offer a commercial shrimp industry.

He and his associates, who fish for a company in Okeechobee, have brought in as high as 12 to 14 lbs. of shrimp in a day recently, no small trick in a lake hitherto unproductive of shrimp in quantity.

Sullivan says he has been taking shrimp from his catfish traps for the past five years, but only in family-size amounts.

This year, however, he says catfishing is off and apparently the shrimp are thriving with the lessened danger of becoming fish-food. Three or four weeks ago, Sullivan gave Mrs. Margaret Vandegrift some of the shrimp, and after tasting the fresh-water product, Mrs. Vandegrift became an enthusiastic unofficial salesman for Sullivan.

Heavy Orders
At present, he can't fill all the orders he has on hand for the succulent shrimp. Boiled, the Lake Okeechobee shrimp look and taste like saltwater shrimp, and are of about the average saltwater size, neither giant nor midget.

Sullivan is pleased with his good luck, but he's making no predictions about how long this new "industry" will last. Asked how the shrimp got into the lake in the first place, he says he thinks they probably came up the canals, the same as some of the other saltwater fish found in the lake. On the other hand, he has a vague recollection that W. J. Hendry planted some shrimp years ago in the north end of the lake.

Lake Harbor Rec Ends For Summer

LAKE HARBOR — The Lake Harbor recreation program came to a close today, after a successful six weeks' activities, when more than 60 children were registered, with an average attendance of more than 30. The highlights of the program have been the swimming parties on Tuesdays and Thursdays. Practically all the students learned to swim. The program was climaxed on Wednesday with an all-day swim party at Riviera Beach.

John Abbott, the director, wishes to thank all the parents who have cooperated in this program. Some parents have gone on all the swimming trips and have unselfishly given of their time so that the program could be successful, Abbott said.

4 IN RACE NOW AT BG

BELLE GLADE — Four candidates, including two incumbents, have thus far filed for City Commission posts in the election Sept. 13, City Clerk Frank Anderson reported this week.

J. Marvin Unwin has filed from Northboro, the post now held by H. O. Carlton; from Centralboro, Incumbent Z. T. Ingram and N. B. Willis; from Westboro, Incumbent Herman Close.

Qualifying deadline for candidates is Aug. 24. Registration books will close Sept. 2.

Equalization Aug. 10

City Commission will sit as a board of equalization on the current tax roll at 7 p. m. Aug. 10, commissioners decided at the regular meeting Wednesday night.

City Clerk Frank Anderson said the assessment rolls are open for inspection by any and all taxpayers, who may register any protests on their assessments at the Aug. 10 meeting.

Commissioners made plans to begin construction of the new footbridge across the Hillsboro Canal between West Palm Beach Rd. and West Lake Rd., hoping for completion by the opening of school to lessen the present traffic hazard to students. By Sept. 1 the new downtown "white way" lights probably will be installed, Commission heard.

Commission approved the contract to provide \$15,000 of city funds for the new Belle Glade Armory, matching \$15,000 budgeted this week by the County Commission.

Rec. Over, Parks Program Goes On

BELLE GLADE — Although the summer recreation program, enjoyed this summer by some 300 boys and girls will come to a close this afternoon, officials at Municipal Park pointed out that the park will continue to be open during its regular hours, with its permanent staff supervising the playground program, throughout the remainder of the summer.

Last Friday, recreation program field events took up the entire day. Winners in the various events were Ernest Amadee, Ann Peacock, Skipper Peacock, Sharon Bair, Russell Funk Pat Webster, Jerry Peacock, Charles Poole, Mary Mathewson, Pat Anderson, Ronnie McWhorter, Janet Connell.

Eddie Nestor, Jerry Nestor, Larry Matlack, Arlene Funk, Sandra Glisson, Carole Holcomb, Gary Norman, Jimmie Leigh Mills, and Judy Amadee.

Special Audit Talked In Stirred-Up So. Bay

★ ★ BULLETIN ★ ★

South Bay Police Chief R. C. White told OBSERVER late yesterday that "I can disprove every one of the charges" in the 6-point complaint lodged against him. "I'm going to stay with them," he said of the forthcoming hearing when all complainants will be heard.

SOUTH BAY — Talk of requesting a special audit of city books was rumbling around town this week in the wake of the resuspension of Police Chief R. C. White after the filing of a six-point complaint against him.

Mayor S. J. Fisher suspended White for the second time in two weeks, Tuesday, following a complaint made by J. C. Stokes of South Bay.

ZONING AGAIN FOR PAHOKEE

PAHOKEE — City Council will sit in hearing session at its Monday, Aug. 8 meeting, to consider a request for rezoning, it was decided at the regular meeting Monday night.

R. O. Crosoy has asked that certain property he owns in colored town be down-zoned to commercial, thus restoring it to its 1950 zoning. Councilmen R. B. Simonson, James Harry Wilkinson, jr., Blanche Armstrong, and George Tucker, jr., agreed to call the hearing for the next regular meeting.

Shaw Bros. Oil Co. was awarded the contract to provide the city with oil and gasoline for the next eight months, on a low bid of 24 cents per gallon for gas and 70 cents per gallon for oil.

Police Chief Leon Guthrie reported that George H. Johnson, a relief man on the force for the past five years, is planning to leave to take a job with Glades Livestock Market. Guthrie is expecting delivery of the new police car from Elliott-Lynn Motors this week, that firm's bid being the lowest of four for the new vehicle.

So. Bay Rec Is Ended For Season

SOUTH BAY — The South Bay recreation program, in high gear for the past few weeks, came to a close yesterday, with a program at 3 p. m. with cold drinks and watermelons for everyone on the school lawn.

Immediately thereafter the group went to the Pahokee pool where they had private use of the pool, from 5 to 7 p. m. Red Cross cards were given to those who could pass the test. After the swim party the group returned to the school where Harold Emory of West Palm Beach had charge of a square dance.

The program has been highly (Continued On Page 8)

Monday night, at a public hearing before City Commission, White's first suspension was cancelled out.

This resulted when City Attorney Claude Jones recommended that charges filed by Mrs. J. C. Stokes that White had contributed to the delinquency of her 14-year-old daughter be dropped because he had evidence that Mrs. Stokes had previously been a patient of the Florida State Mental Hospital.

Voids Charges
When the Stokes attorney, Ralph O. Johnson, of Pahokee, could not immediately produce evidence that Mrs. Stokes' sanity had been restored by the court, the mayor ruled the charges against White void.

However, Johnson then presented a new set of charges (Continued On Page 8)

Harry Smith Rites Held Wed.

The funeral of Harry Daniel Smith, 58, of Chosen, was held last Wednesday at 11 a. m. at the Bible Institute Tabernacle at Boca Raton with Rev. Ira Eshelman officiating. Burial was in Boca Raton Cemetery.

Mr. Smith, sales manager of South Bay Growers, came to the Glades in 1943, and since that time had been associated with the South Bay Growers. Previously he had worked at Pompano Beach and Homestead, and was a native of Center Hill. Prior to his death he had been a patient at the local hospital for about two weeks.

He was a member of Everglades Presbyterian Church, and was on the board of deacons of that church. He was a veteran of World War I, and a member of Everglades Post 20, American Legion.

Survivors include his widow, Mrs. Mildred Smith, Chosen; a brother, Dr. Dewey Smith, Orlando; three sisters, Mrs. Gladys Hooten, Mrs. M. G. Rowlette, Wildwood, and Mrs. C. S. Carmichael, Center Hill.

Wetherington Funeral Home was in charge of arrangements.

NO OPPOSITION? Big hope in his camp is that Senator Smathers won't have opposition for his job in 1956. But, to be prepared, the Senator is changing his summer routine somewhat. When the Congress is out, he will open an office in Jacksonville, staffed by Scotty Peek and his new administrative assistant, Jim Powell.

Smathers will work there and cover the state. He will be speaking or appearing every day. If opposition should develop, Peek and Powell will immediately move to set up campaign offices around the state. If not, they will stay on in Jacksonville until after the end of February (filing date). Then back to Washington.

HOLLAND HOMECOMING DAY: What started out five years ago as a luncheon get-together in Bartow for Senator Holland has now become an annual traditional home-coming that attracts state-wide attention. This is Holland's first public appearance within the state each year following the recess of Congress. The Bartow Kiwanis Club (he is a past president) is the host club, but Rotary, Lions, Exchange, Pilots, and others, join in to pack the Masonic Temple. More than 500 are expected this year. Date? Hopeful for August 12th, but from here

it is anybody's guess.

GATOR ELECTION: When Gators get together, they form a club. One of their branches is the Washington Alumni Club with more than 200 members. When Congressman Billy Matthews was in charge of alumni affairs at the University of Florida, one of his jobs was to see that clubs like this one were organized. Last week he got a taste of his own doctrine. He was elected vice president of the Washington Club. Al Brick, attorney, formerly from Marianna, was named president.

TWO GLADES MEN ON TOP FFVA MEET PLANS

George Wedgworth, Belle Glade, and Roy Vandegrift, jr., Pahokee, were given high-ranking appointments this week for the Florida Fruit and Vegetable Association's 12th annual convention at Miami Beach Oct. 4-6.

Chairman George H. Cooper named Wedgworth chairman of the banquet for the FFVA's meeting at Hotel Fontainebleau, and appointed Vandegrift to preside over the fourth business session.

PAHOKEE — Representatives of Southeastern Research Corporation, Coral Gables, visited this area on the weekend.

It's good to cool my sore paws in the muck again.

Ten days and 2,600 miles later, I have become a home-dog again. Also, I have renewed my vows to quit taking vacation trips.

It would have been more comfortable riding to Washington if I hadn't been trying to hold one of the Pahokee BPW Club's potted palms in my clammy paws.

I was a little nervous walking up the driveway to the west gate of the White House. Had the feeling people were staring at me. They were — several people, all wearing uniforms with a good deal of brass badges and buttons.

After the nerve-racking ordeal of bringing the danged palm all the way up there, I found that the president wasn't home. He had gone some place called "The Summit." Nobody bothered to tell me whether it

was Summit, N.C., Summit, Ala., or Summit, Pa. But he wasn't home, in any case. And dogs are not being received anyhow, Brass Buttons said firmly.

So I just handed the potted palm to one of the Towering Uniforms and weakly barked "I hope you can use this."

Then I trotted back down the driveway as fast as my short legs could paddle, not stopping to inspect even one bush.

The bosses came along later; as I sat sobbing disconsolately at the ban on dogs at the White House. They dried my tears and assured me that the BPW potted palm was resting comfortably on a table in a reception room in the West wing, giving a real dandy Florida look to an otherwise Yankee room.

WASHINGTON NEWSLETTER

By Sen. George Smathers

WASHINGTON—As chairman of the special committee of the Senate Interstate and Foreign Commerce Committee set up to investigate all facts and circumstances surrounding the recent agreement between the German airline, Lufthansa, and the State Department, hearings began Tuesday. Witnesses are various officials of the State Department, the CAB, and the airline industry. The committee will go into the background on

transactions involving the Bermuda-type bilateral air agreements. This is a matter of vital importance involving the lifeblood of our own airline industry.

SURPLUS COMMODITY SHIPPING: This week the Senate passed a bill which provides for the sale of surplus agricultural commodities for foreign currencies. The bill, as reported to the Senate, contained a provision which would have made the cargo preference law inapplicable. The cargo preference law requires at least 50% of the goods be shipped by American flagships. As the bill passed the Senate, this provision was stricken and American vessels WILL carry at least 50% of the goods. This, in my opinion, is a victory which will help sustain our Merchant Marine fleet.

TWO DOWN, ONE TO GO: The federal aid to airport bill, as amended by the House, was sent to the White House for signature this week. This bill provides federal funds on a matching basis for the construction of public airports and terminal facilities. The bill, as amended, would make available to the State of Florida approximately \$851,856 for each of the next four fiscal years. I am sure Florida will welcome the news of the passage of this bill for it means that we may have these available matching funds to build and improve our municipal airports and terminal facilities.

PALM LAKE ASSN. WMU
MEETS AT BELLE GLADE

Belle Glade First Baptist Church played host to the Palm Lake Association WMU meeting on Tuesday. Youth activities were featured and the young peoples' organization was in charge.

Miss Liska Humphries presided, Miss Susan Clark gave the address of welcome and Miss Pat Tatum provided special music. Jack McCaskill gave a report on the Royal Ambassador Congress, and on summer camp activities. Miss Bonnie Jean Ray, former missionary to China, was the speaker at the morning session.

SO. BAY BAPTIST YOUTH
HAVE ACTIVE WEEK

Several groups of young folks from South Bay Baptist Church were taken on outings during the past week. The junior girls had a picnic and a swim party at the Pahokee pool, with Mrs. J. S. Smith, Mrs. Sam Pitts and Mr. and Mrs. Jack Carlin accompanying them.

J. S. Smith took the intermediate boys on a fishing trip to Fort Myers and Jack Carlin took the junior boys to the Clewiston pool for a swim party.

FIRST CHURCH OF CHRIST,
SCIENTIST, Belle Glade
CHRISTIAN SCIENCE GROUP,
Canal Point

How spiritual understanding of God as divine Love assures man of wise guidance and unlimited inspiration will be brought out at Christian Science services this Sunday.

The Lesson-Sermon entitled "Love" will include the following passage from the Biblical account of the guidance the children of Israel received in their flight from Egypt: "And the Lord went before them by day in a pillar of a cloud, to lead them the way; and by night in a pillar of fire, to give them light; to go by day and night: He took not away the pillar of the cloud by day, nor the pillar of fire by night, from before the people" (Exodus 13: 21, 22).

Among the correlative passages to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy is the following (454: 18-21): "Love inspires, illumines, designates, and leads the way. Right motives give pinions to thought, and strength and freedom to speech and action."

The Golden Text is from I John (4:8) "He that loveth not knoweth not God . . . for God is love."

YPTU ENJOYS OUTING
AT PHIPPS PARK, PB

The young people's Training Union of Belle Glade First Baptist Church enjoyed a picnic and swimming party at Phipps Park, Palm Beach, last Saturday. The group fried hamburgers. Franklyn Jones, president, urged attendance at TU sessions, and support of the "Beat the Heat" campaign. In the evening the group went bowling.

In the absence of the pastor, Rev. H. Q. Geer conducted the Wednesday evening prayer service. There was special music by the children's choir.

Plans are being made for a youth-led revival at the church Aug. 14 to 19. All leaders and

other workers at the revival will be young people. The young men who will preach and who will lead the music are Stetson University students, while the others taking part are local young people.

The youth choir has elected as summer officers Miss Bonnie Williams, president; Miss Leora Geer, secretary; and Miss Pat Geer, social chairman.

Attending the Big Lake Baptist Associational meeting last Thursday at Okeechobee First Baptist Church were Rev. John Cooper, Mrs. James Hendry, Mrs. W. M. Jeffries, Joyce Par-tain, and Dottie Willis, all of South Bay Baptist Church. Total attendance was 155.

Newest thing in Room with a View

It's the 4-Door Riviera-
the stunning new hit
of America's Hardtops

WHEN Buick introduced America's first hardtop—the Riviera—folks went for it in a big way, and fast.

They liked the Convertible look of this 2-door beauty—long, low and rakish. They liked the added security of the steel roof overhead. And they certainly liked the absence of center posts in the side window areas—which gave a completely unbroken view left and right.

People liked it all so well that, over the past six years, they made the Riviera the biggest-selling hardtop in the world, bar none. And it still is.

Now Buick has come up with another great advance in hardtops—the 4-Door Riviera—and it's a sensational hit.

It has everything the original 2-Door Riviera has—plus separate doors for rear-seat passengers, and a whole lot more room for them.

Rock-solid half-pillars on either side are what latch the front doors and hinge the rear ones. So there's no center post above the door line—and a completely open sweep of view to both sides.

And the roominess provided by this gorgeous new hardtop is really something—over 9 inches more hiproom and 5 inches more legroom in the rear.

Why don't you come see this brand-new kind of automobile that's heading up the parade of the hottest-selling line of Buicks in history?

That way you can also try what else is to be had here—Buick comfort, Buick power, Buick ride and handling and roadability—plus the electrifying action of Buick's Variable Pitch Dynaflo.*

Do it this week—tomorrow would be fine—and you'll see what record volume really means in the way of record-high trade-in deals.

*Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on ROADMASTER, optional at modest extra cost on other Series.

DR. COTTON TO PREACH SUNDAY AT PAHOKEE

Dr. C. M. Cotton, district superintendent of the West Palm Beach District Methodist churches will be the guest preacher Sunday morning at 11 at Pahokee First Methodist Church, followed by a basket dinner at the church. First quarterly conference will meet at 2 o'clock in the afternoon.

Work on renovating the Methodist parsonage continues this week, with every room receiving a new coat of paint, all floors sanded and refinished, a shower bath installed in bath room by the pastor and repairs made on furniture. The WSCS is repairing living room furniture and making other improvements. The work is under the supervision of John Rogers, chairman of the property committee.

The first unit of the new \$75,000 educational unit of the church will be ready for use Aug. 7. A special service of thanksgiving will be held by the church school at 9:45 on that day.

BAPTIST WMS IN MEET MONDAY AFTERNOON

The monthly program and business meeting of Pahokee First Baptist WMS was held Monday afternoon at the church. The program, "All Roads Lead To London," dealing with the Baptist World Alliance meeting this month in London, was presented by Lucy Jones Circle, with Mrs. Joe Thompson and Mrs. F. G. Gillis taking part.

The community missions project for August will be vacation Bible school. Plans were made to attend the youth rally in

Belle Glade Tuesday. Mrs. Alice Helms was a visitor. Mrs. Gillis, WMU president, presided over the business session.

Joy, Star Circles Meet

Joy and Star Circles of the WSCS of Belle Glade Community Methodist Church met jointly Tuesday evening at Jameson Hall. Mrs. Fred White had the devotional and the program, which was on "The Greatest

Thing in the World." Refreshments were served by Mrs. Richard Hodges.

YVONNE THOMPSON STARS IN ANOTHER SWIM MEET

Ten-year-old Yvonne Thompson, daughter of Mr. and Mrs. Joe Thompson, Pahokee, took third place in the South Florida district Jr. AAU Olympics' mid-

get freestyle race at Miami last week.

Yvonne is now eligible to swim in Jacksonville next month. While in Miami, Yvonne and her parents stayed with Mrs. Thompson's mother, Mrs. John F. Furlong, and Mr. Furlong.

Mrs. M. D. Geiger was hostess at her home recently at a shower for Miss Marie Sapp. Assisting hostesses were Mrs. Ronald Wright, Mrs. Wade Ammons, Mrs. Paul Rardin, Mrs. J. S. Chastain, and Mrs. Charles Maxson.

FISH COM. DEMONSTRATION AT ANDYTOWN AUG. 5

TALLAHASSEE — A demonstration of techniques that will help develop the new 720,000-acre Everglades Wildlife Management Area for public use will be presented by the Game and Fresh Water Fish Commission at 9 a.m. Friday, Aug. 5, at Andytown, according to A. D. Aldrich, director.

The commission will demonstrate its new rotary marsh-land digger that will be used to cut boat trails throughout the management area. Use of the floating dredge digger will give fishermen, hunters and boating enthusiasts access to areas which are presently closed, Aldrich said. Another public demonstration of the day will be a preview of the commission's electrical roughfish control equipment. This equipment, which affects fish by electrical shock, is presently undergoing experimental trials in the South Florida area as well as at the University of Florida.

TALENT SCOUTS

Horace Scruggs topped the show Tuesday night at the Prince Theatre, Pahokee, with an inimitable comedy routine on Malcolm Millar's Talent Scout Show. He finished his "Ballin'

the Jack" number with an avalanche of applause and came back with a travesty on "Glow Worm" that brought roars of laughter and a storm of applause.

Tiny Glenda Crews offered "Gathering Flowers For The Master's Bouquet," and had no trouble in making second place. Bud Carter just nosed under the wire for third place with two harmonica numbers.

Bonnilu and Dottie Lair just missed third place with their songs.

The Everglades Ramblers, a five piece string band, brought the house down and were awarded first place in Malcolm Millar's Talent Scout Show at the Hugo Theatre, Belle Glade, last Thursday night.

With a nicely presented hill-billy number Carolyn Chambers easily took second place. Joann Berryhill, displaying a lovely voice came away with third place.

SPECIAL —

(Continued From Page 1) made against White by the girl's father, Stokes. Mayor Fisher received the complaints and took under advisement the objection of White's attorney, Jordan Johnson, of West Palm Beach, that Stokes was a parolee.

The following day, Mayor

Fisher again suspended White, and ordered a new hearing before the Commission on Monday, Aug. 8.

Stokes' Complaint

Stokes complaint against White to the mayor charged that:

1) White refused and failed to "apprehend, search for, or attempt to locate" the Stokes girl when she ran away from home on the night of July 3 "in his presence in spite of repeated requests that he do so."

2) That White, or his wife, with his knowledge, "hid, concealed, harbored and secluded" the child from her parents, knowing that the said minor was reported missing by her parents and that every effect was being made by the parents to locate the said child.

3) That White failed to account in full and properly to the City of South Bay for appearance bond monies placed with him from time to time by arrested persons.

4) That White neglected his duty by absenting himself from his office repeatedly for long periods of time, leaving no means or sources for contacting him for police calls.

5) That White has encouraged caused and contributed or has committed acts which cause or tend to cause or encourage the delinquency of a female child under the age of 17.

6) That while on duty in his official capacity as chief of police of South Bay he had frequently been under the influence of alcoholic beverages to such an extent as to impair and interfere with his performance of said duties.

REC ENDS —

From where I sit... by Joe Marsh

Modern Science Finally Catches Up With Grandpa

I got put in my place the other night. Deserved it, too. My father-in-law said we were due for bad weather. "Birds are flying low," he reported. "That means a storm."

I started to josh with the old gentleman about being superstitious. Then my nephew Jim, on vacation from college, pipes up. "Grandad's right," he says.

"At least, that's what they say at school," Jim goes on. "The heavy air you get before a storm forces insects down low—so high-flying birds have to swoop along the ground if they want to eat."

From where I sit, there's probably sound reasoning back of most old sayings... back of anything people have learned to believe in. Take the idea of a stitch in time saving nine—sparing rods and spoiling children—of drinking hot milk, or a refreshing glass of beer, at bedtime. You may not hold with any of these beliefs yourself... but it's not smart to give them the "bird."

Niagara's fascinating, new three-way reducing plan takes off fat while it firms the flesh. It is an entirely different approach to weight control—one that is pleasant, convenient and very, very effective.

The Niagara Weight Control Program was developed by the famous Niagara Research Institute in cooperation with competent medical authorities to fill the need for a scientific, medically-correct, complete home-reducing plan.

It consists of unique, choose-your-food menus that allow you to select wholesome, delicious items for your meal; specially-prepared mineral-vitamin concentrates for health and energy; and wonderful Niagara Cyclold-Massage® to give you all the "good-figure" benefits of the finest massage.

Never before has there been a home-reducing program that included the important feature of massage. But now Niagara gives it to you! Get all the details TODAY on this glorious, new approach to weight control. Find out how the Niagara plan can help you avoid the many pitfalls of common "quickie" diets... the tension, fatigue, and the nagging feeling of irritation. Learn how you can reduce in a relaxed, pleasant manner, while you feel and look like a "million."
